IMPORTANT ANNOUNCEMENT * *PIBROCH* DISTRIBUTION

In order to be better stewards of our resources, the Board of Managers at its September meeting voted to change the way the *PIBROCH* is circulated. Beginning with the first issue in 2010, the *PIBROCH* will be sent by bulk mail permit, which should only increase delivery time by a few days in most cases, but will save the Society considerable postage costs given the announced increase by the U.S. Postal Service of its first-class rates next Spring.

The *PIBROCH* will continue to be posted on the Society's website, <http://standrewsbaltimore.org>, where it can be viewed, read, downloaded, and/or printed by the membership. With rising postage and printing expenses, this on-line edition can save your Society unnecessary publication and distribution costs.

If you want to assist in this cost savings endeavor by going on-line on your computer to read the *PIBROCH*, please contact **Herb Glasby**, Membership Secretary, by telephone: 410-437-0647; email: hglasby@comcast.net; or by mail: 466 Edgewater Road, Pasadena, Maryland 21122-5608, so that Herb can make the necessary changes to the Society's records and the mailing label generating program. Your Board of Managers encourages as many members as possible to choose reading and printing the *PIBROCH* from the on-line edition. All members who contact Herb with a current computer address will receive an advance email when a new issue is posted.

The Board of Managers is also sensitive to the fact that many members have limited, or no, computer access. Your printed copy of the *PIBROCH* will still be delivered by the U.S. Postal Service as it has been in the past.

If you have any questions reading this change, or to opt for the electronic copy of the Society's newsletter, please contact Herb Glasby directly. Many thanks!
